

SELF WATERING CONTAINER

TIP: Plants don't like wet feet, & thrive when they can drink only when they're thirsty.

Q. How many plants can I fit into my self watering planter?

A. *It depends on the plant, so visit www.HOMEGROWN.org for a complete list.*

Broccoli (6)

Chard (6)

Cucumbers (4)

Lettuce (8)

Peas (16)

Salad Greens (8)

Squash (4)

Tomatoes (2)
